

# Undergraduate Transfer Credit Permission Form

Please check instructions and important information on the back of this form.

As of December 2005 UMass Boston does not accept additional transfer credits once a student has matriculated to the university. Exceptions to this policy will be considered in cases where a student has filed this formal request. The following reasons are taken into account during the review: (1) geographic considerations; (2) lack of availability of required course; and (3) participation in UMass intercampus registration agreements.
